SCIENCE ADVANCES
VOLUME 11 | ISSUE 40 | 29 MAY 2025

Welcome. Photography by Kate Presley. Design by Jenna Johnson. Illustration of southwest Texas coastline in Mitchell Lanthrop's "Tradition transcending time: Preserving a shared Tejano/Mexicano/Native identity." An undercoat for chronology, drawings of "all of it," and a mixed-media collage of the coastline's ecological zones from 5 different seasons. Through the work, he hopes to reach those who...
